

New Home Page

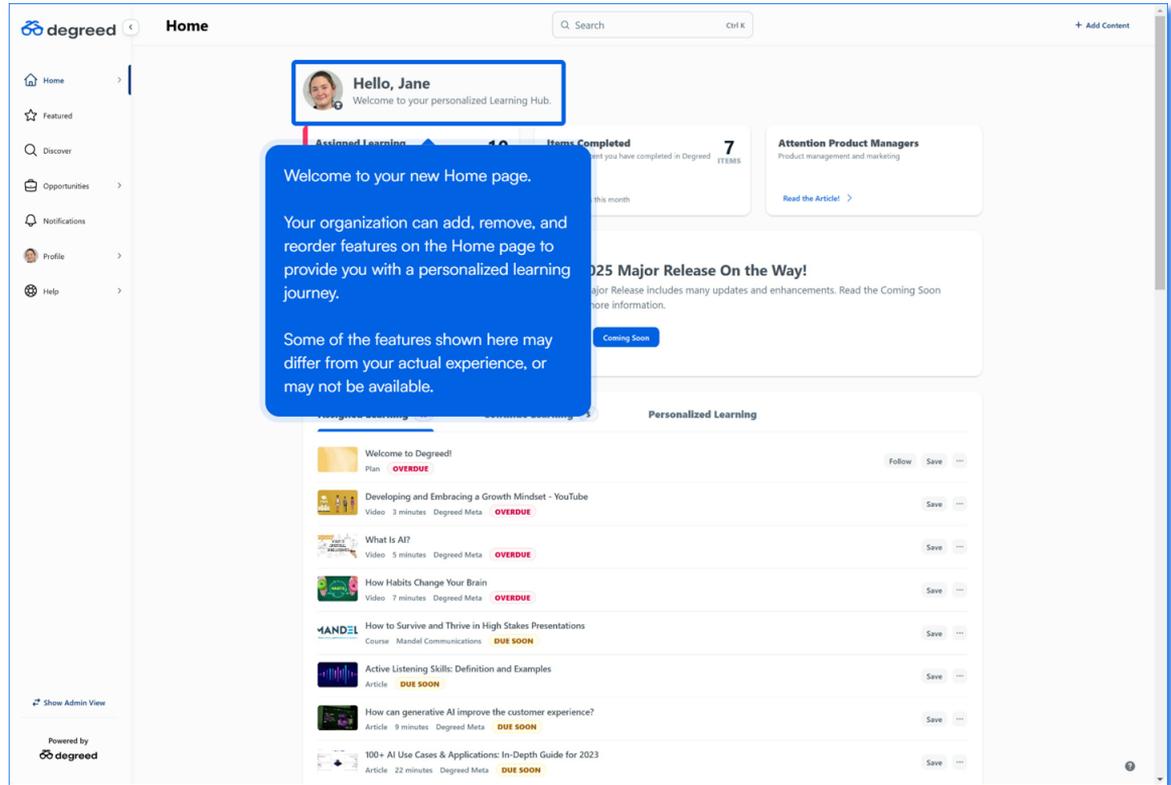

Explore the New Home Page releasing for General Audiences April 29, 2025.

The screenshot displays the Degreed Home page for a user named Jane. The interface includes a navigation sidebar on the left with options for Home, Featured, Discover, Opportunities, Notifications, Profile, and Help. The main content area features a search bar, a personalized welcome message, and three summary cards: 'Assigned Learning' (10 items, 4 overdue, 4 due soon), 'Items Completed' (7 items, 4 items this month), and 'Attention Product Managers' (Product management and marketing). A prominent announcement for the 'April 2025 Major Release' is shown with a blue glasses icon and a 'Coming Soon' button. Below this, a list of learning items is displayed under the 'Assigned Learning' tab, including a plan, a video on growth mindset, a video on AI, a video on brain habits, a presentation on high stakes, an article on active listening, an article on generative AI, and a guide on AI use cases. Each item includes a thumbnail, title, duration, and status (overdue or due soon).

Announcements

Announcements from your organization keep you up to date.

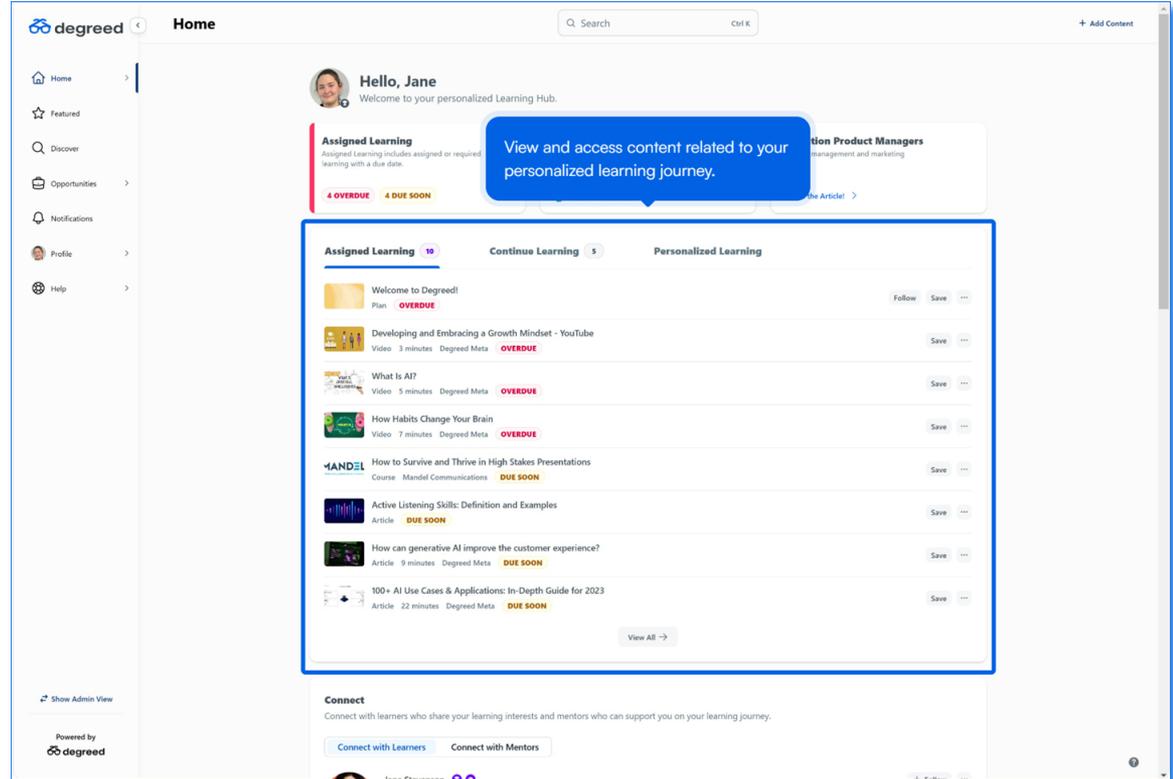

Announcements

When complete, dismiss announcements to create additional screen space.

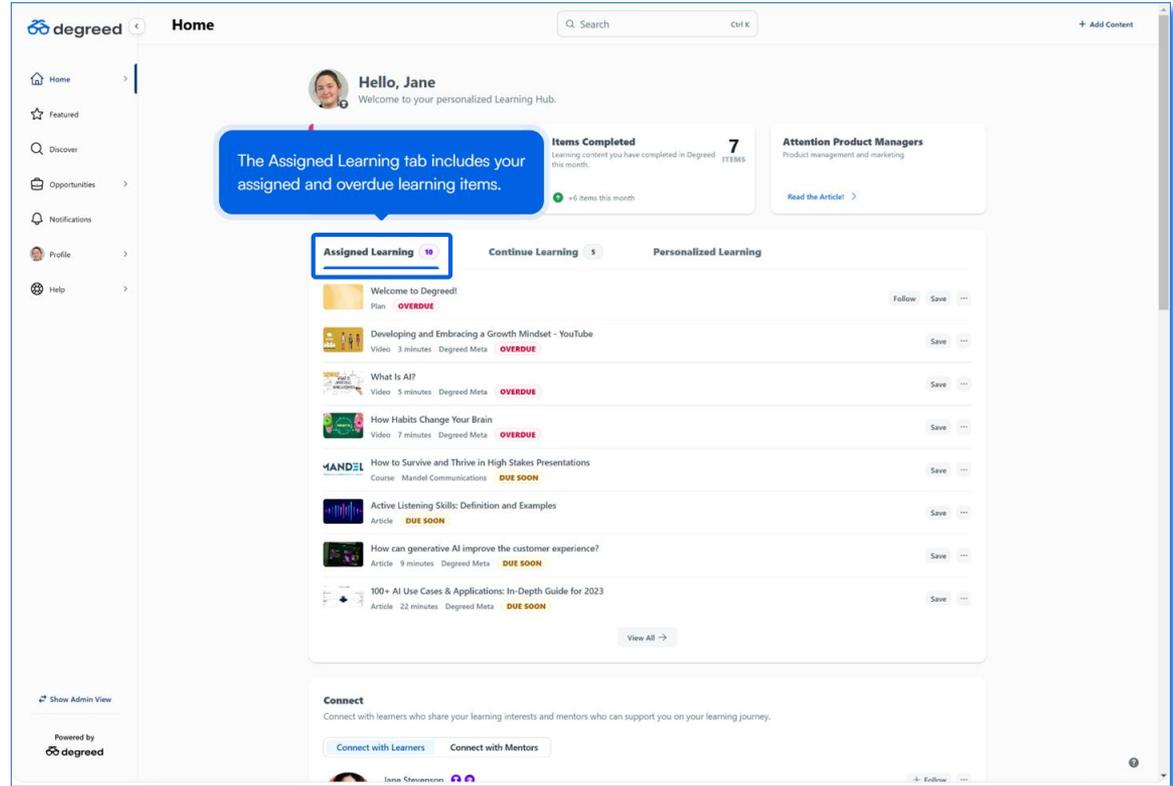

Personalized Content

Quickly access content targeted specifically to you.

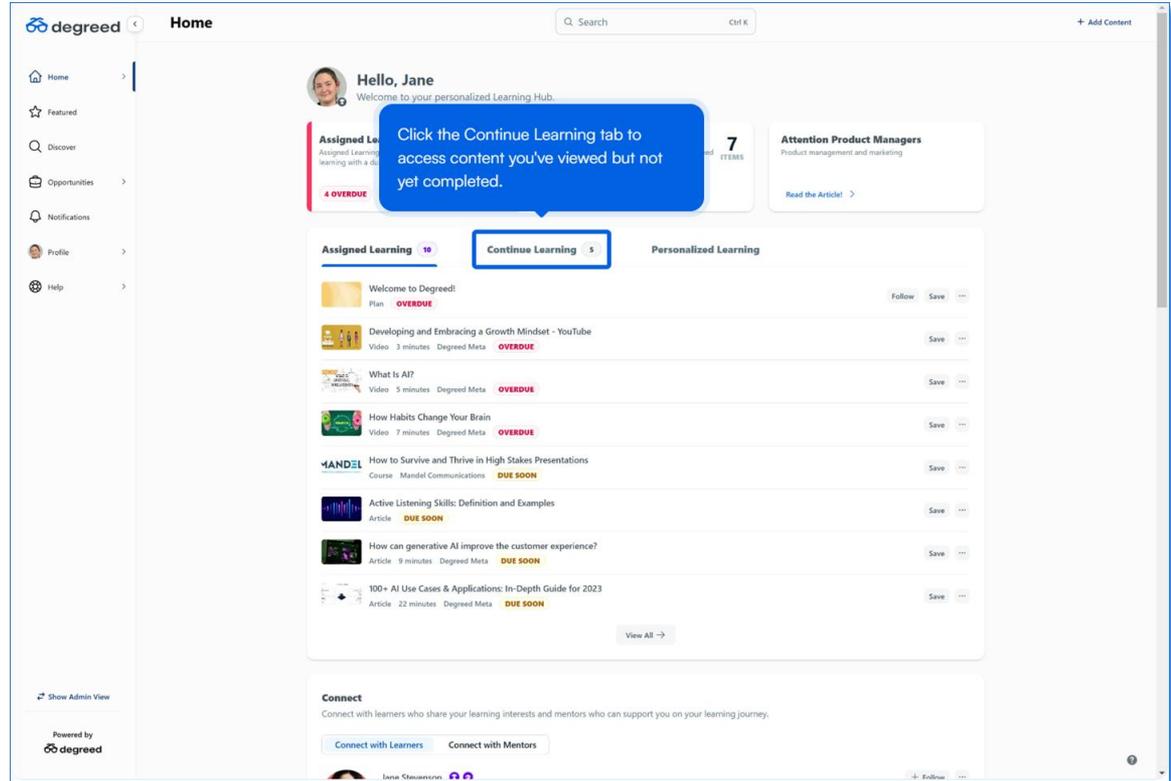

Personalized Content

The Assigned Learning tab includes assignments that are overdue or due soon.

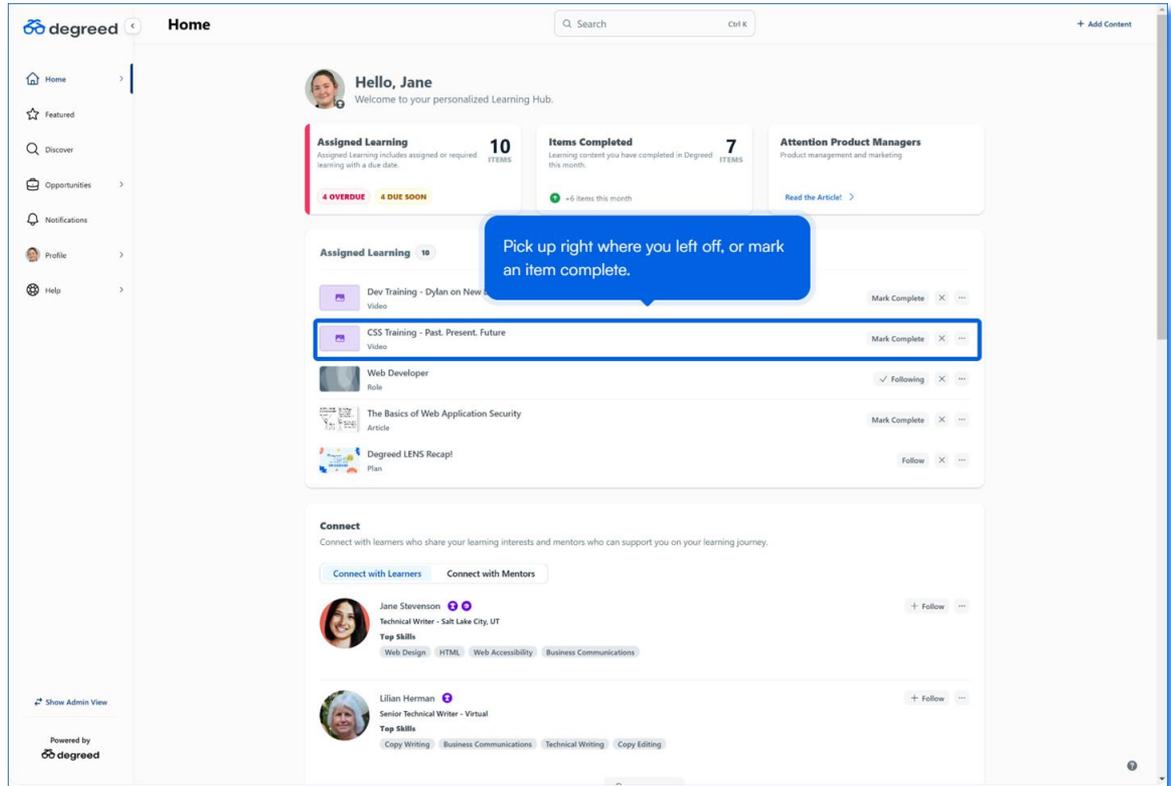

Personalized Content

Click the Continue Learning tab to see content you've viewed, but not completed.

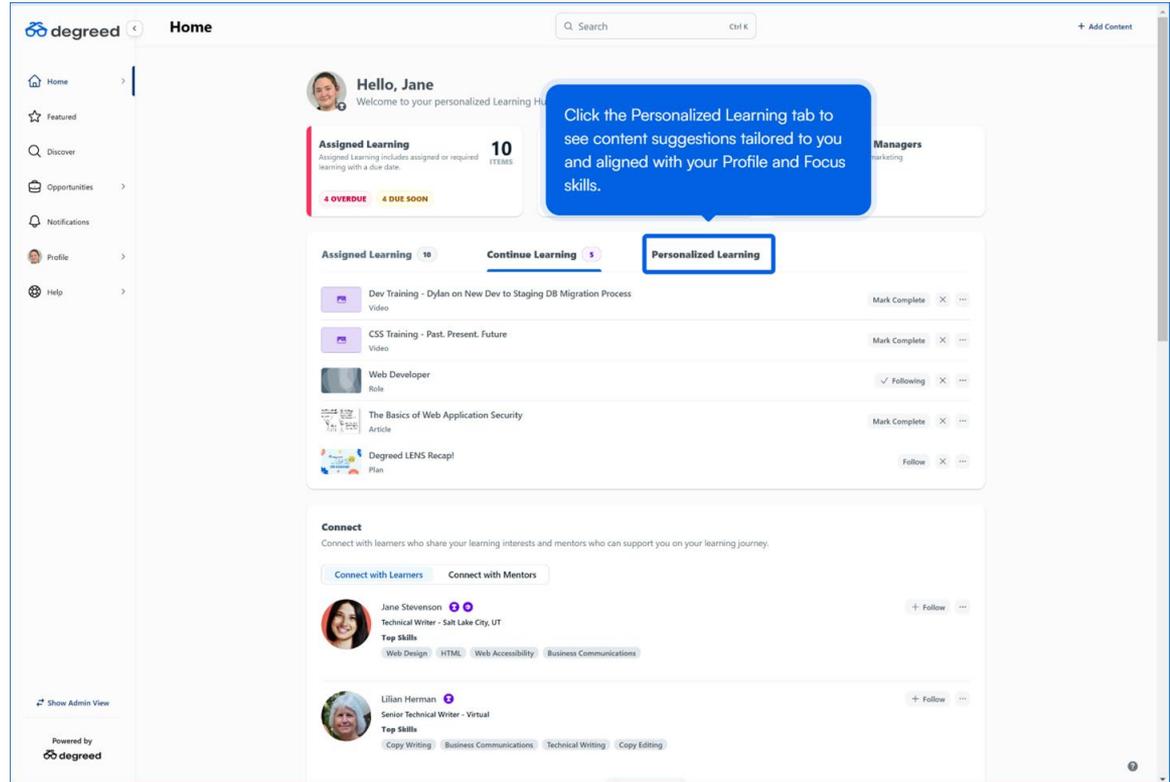

Personalized Content

After you complete an item, it no longer displays on the Continue Learning tab.

Personalized Content

The Personalized Learning tab includes content suggestions aligned with your Profile Skills.

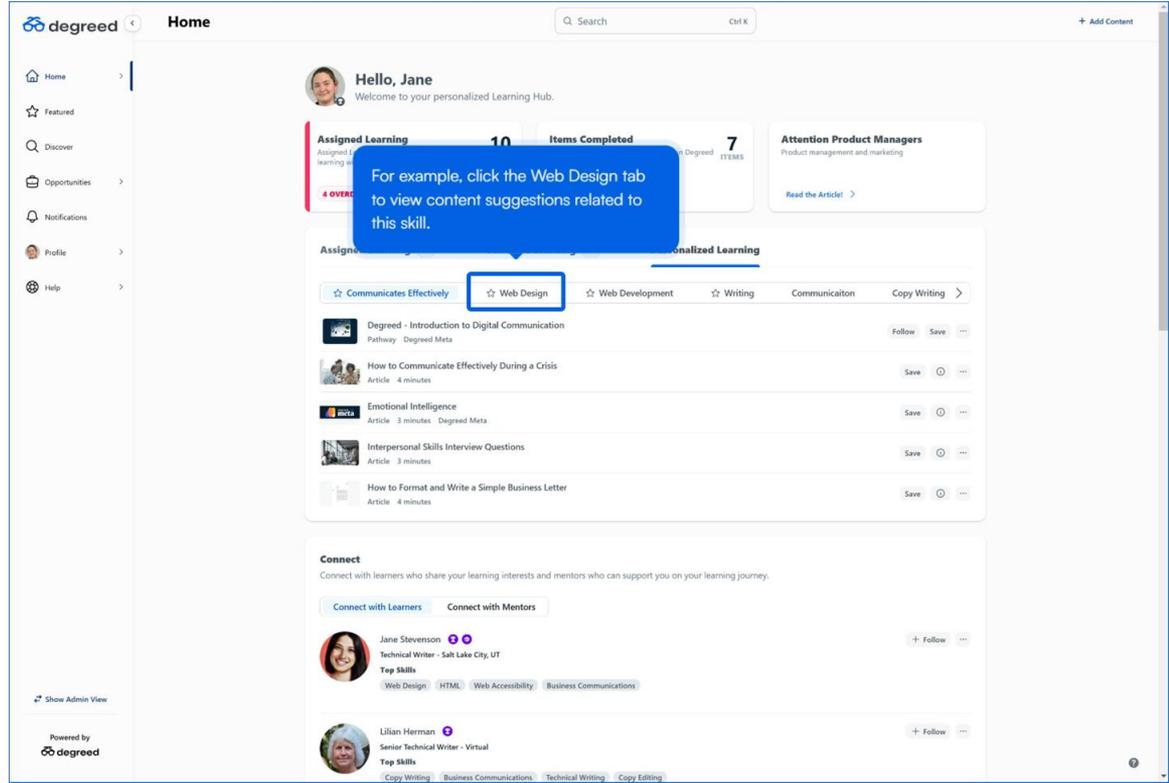

Personalized Content

Content aligned to your Focus Skills displays first.

The screenshot shows the Degreed Home page for a user named Jane. At the top, there is a search bar and a 'Home' header. A navigation sidebar on the left includes Home, Featured, Discover, Opportunities, Notifications, Profile, and Help. The main content area starts with a 'Hello, Jane' greeting and a 'Welcome to your personalized Learning Hub.' message. Below this, there is a section for 'Assigned Learning' with a progress bar showing 10 items assigned and 7 completed. A blue callout box points to the top of this section, stating: 'Content aligned to your Focus Skills displays first, followed by additional skills from your Profile.' Below the progress bar is a horizontal filter bar for 'Assigned Learning' with tabs for 'Communicates Effectively', 'Web Design', 'Web Development', 'Writing', 'Communication', and 'Copy Writing'. The 'Communicates Effectively' tab is selected. Underneath, a list of learning items is shown, including 'Degreed - Introduction to Digital Communication' (a pathway), 'How to Communicate Effectively During a Crisis' (an article), 'Emotional Intelligence' (an article), 'Interpersonal Skills Interview Questions' (an article), and 'How to Format and Write a Simple Business Letter' (an article). Each item has 'Follow' and 'Save' options. At the bottom of the page, there is a 'Connect' section with buttons for 'Connect with Learners' and 'Connect with Mentors', and profiles for Jane Stevenson and Lilian Herman, each with their top skills listed.

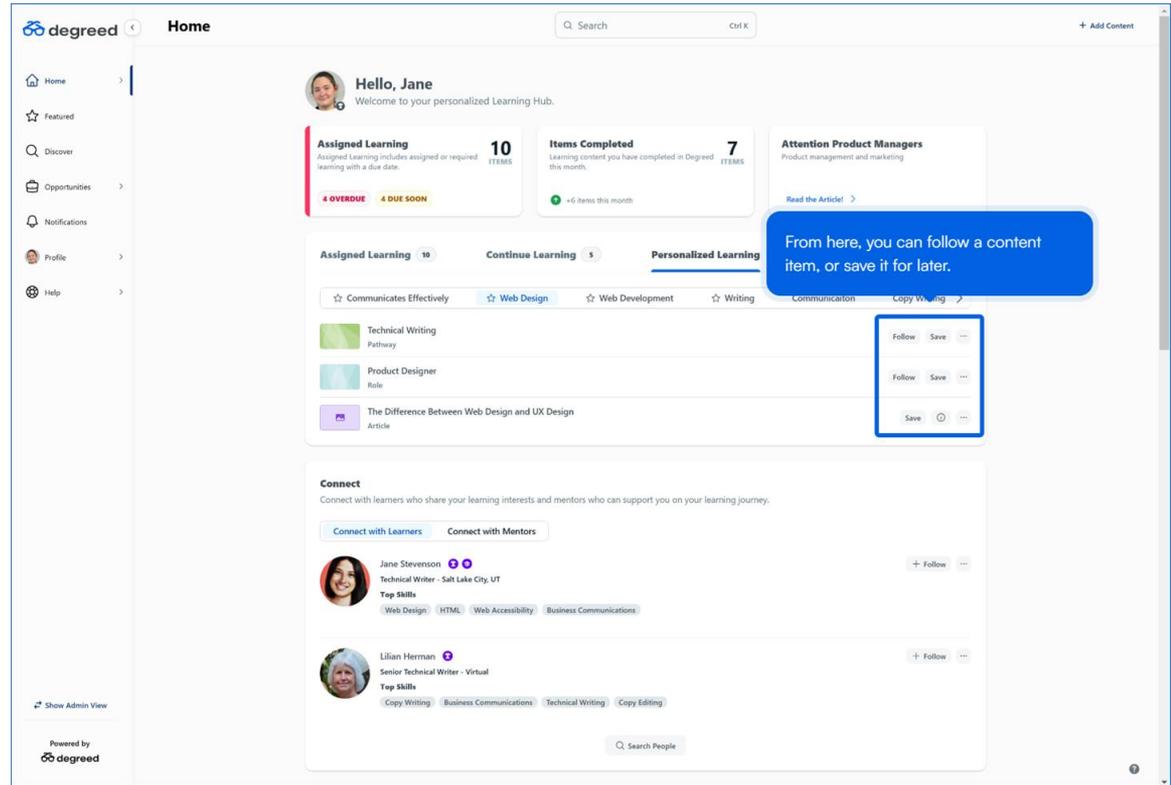

Personalized Content

Click the skills tabs to see content aligned with the specific skill.

Personalized Content

Follow, or save the suggested content items for later.

Connect with Others

Find learners with shared learning interests and similar Profile Skills.

The screenshot displays the Degreed Home interface. At the top, there is a search bar and a 'Home' header. Below the header, a personalized greeting 'Hello, Jane' is followed by statistics: 'Assigned Learning 10 ITEMS' (with 4 overdue and 4 due soon) and 'Items Completed 7 ITEMS' (with +6 items this month). A featured article 'Attention Product Managers' is also visible. The main content area is divided into 'Assigned Learning', 'Continue Learning', and 'Personalized Learning' sections. The 'Personalized Learning' section lists items like 'Technical Writing Pathway', 'Product Designer Role', and 'The Difference Between Web Article'. A blue callout box highlights the text 'Connect with other learners who share your learning interests.' Below this, a 'Connect' section is highlighted with a blue border, showing options to 'Connect with Learners' and 'Connect with Mentors'. Two user profiles are listed: Jane Stevenson (Technical Writer - Salt Lake City, UT) with skills in Web Design, HTML, Web Accessibility, and Business Communications; and Lilian Herman (Senior Technical Writer - Virtual) with skills in Copy Writing, Business Communications, Technical Writing, and Copy Editing. A 'Search People' field is located at the bottom of the 'Connect' section.

Connect with Others

The Connect with Mentors tab includes learners interested in mentoring others.

Only available to organizations who've purchased Experiential Learning.

The screenshot displays the Degreed Home interface. At the top, there is a search bar and a 'Home' header. The main content area is divided into several sections: a personalized welcome message for 'Jane', a summary of 'Assigned Learning' (10 items, 4 overdue, 4 due soon) and 'Items Completed' (7 items), and a 'Personalized Learning' section with tabs for 'Assigned Learning', 'Continue Learning', and 'Personalized Learning'. The 'Personalized Learning' section shows a list of skills and pathways, including 'Web Design', 'Web Development', 'Writing', 'Communication', and 'Copy Writing'. A blue callout box is overlaid on the 'Connect with Mentors' tab, which is highlighted with a red border. The callout text reads: 'Click the Connect with Mentors tab to see users in your organization available to mentor learners with your skills.' Below this, the 'Connect with Mentors' section is visible, showing a list of users with their profiles, skills, and a 'Follow' button. The users listed are Jane Stevenson (Technical Writer - Salt Lake City, UT) and Lilian Herman (Senior Technical Writer - Virtual). The interface is powered by Degreed.

Connect with Others

Request a
mentorship
connection.

The screenshot shows the Degreed Home dashboard. At the top, there's a search bar and a 'Home' header. The main content area is divided into several sections:

- Assigned Learning:** 10 items, with 4 overdue and 4 due soon.
- Items Completed:** 7 items, with a note that +6 items were completed this month.
- Attention Product Managers:** A card for product management and marketing with a 'Read the Article' link.
- Personalized Learning:** A section with tabs for 'Assigned Learning', 'Continue Learning', and 'Personalized Learning'. It lists items like 'Communicates Effectively', 'Web Design', 'Web Development', 'Writing', 'Communication', and 'Copy Writing'. Below these are 'Technical Writing Pathway', 'Product Designer Role', and 'The Difference Between Web Design and UX Design Article'.
- Connect:** A section for connecting with learners and mentors. It lists two mentors: Jane Stevenson (Technical Writer - Salt Lake City, UT) and Anna Huang (Data Scientist). A blue callout box points to a 'Request Mentor' button next to Anna Huang's profile, with the text: 'If interested, click Request Mentor to seek a mentorship connection.'

At the bottom left, there's a 'Show Admin View' link and a 'Powered by Degreed' logo. At the bottom right, there's a 'Find Mentors' search bar.

Trending Content

See what's trending with others in your organization.

The screenshot shows the Degreed Home page. On the left is a navigation sidebar with icons for Home, Featured, Discover, Opportunities, Notifications, Profile, and Help. At the top right, there is a search bar and a 'Home' header. The main content area is divided into several sections:

- Trending at Degreed Live:** A section titled 'Learning content trending within your organization.' It lists five items:
 - Introduction to Relational Database and SQL (Course)
 - Azure Dev Ops & Git (Article)
 - 100+ AI Use Cases & Applications: In-Depth Guide for 2023 (Article, 22 minutes)
 - The 5 uses of Generative AI for L&D (Video, 3 minutes)
 - CSS Training - Past, Present, Future (Video)
- Quick Links:** A section with links for Onboarding Information, Company Objectives 2024, and Community Forum.
- Opportunities:** A section titled 'Discover and apply to career opportunities that align with your skills and career goals.' It lists three opportunities:
 - Technical Writer Usability Tester (Mentorship, MATCHING SKILLS: 7 OF 7)
 - Web Developer (Stretch Assignment, United States, MATCHING SKILLS: 10 OF 13)
 - Usability Testing for Internal Tool (Dynamic Team Assignment, MATCHING SKILLS: 2 OF 5)

A blue callout box with the text 'See and access content currently trending in your organization.' is overlaid on the 'Quick Links' section.

Quick Links

Your organization can suggest links to important content or other information.

The screenshot shows the Degreed Home interface. On the left is a navigation sidebar with icons for Home, Featured, Discover, Opportunities, Notifications, Profile, and Help. At the top right is a search bar and a '+ Add Content' button. The main content area is titled 'Home' and features a 'Trending at Degreed Live' section with a list of items: 'Introduction to Relational Database and SQL Course', 'Azure Dev Ops & Git Article', '100+ AI Use Cases & Applications Article', 'The 5 uses of Generative AI for Video', and 'CSS Training - Past, Present, Future Video'. Each item has a 'Save' button. Below this is a 'Quick Links' section, which is highlighted with a blue box and contains three links: 'Onboarding Information', 'Company Objectives 2024', and 'Community Forum', each with an external link icon. Underneath is an 'Opportunities' section with job listings like 'Technical Writer Usability Tester', 'Web Developer', and 'Usability Testing for Internal Tool', each showing matching skills and a 'Show Interest' button. At the bottom left, it says 'Powered by degreed'.

Opportunities

Find Opportunities within your organization aligned to your skills and goals.

Only available to organizations who've purchased Experiential Learning.

The screenshot shows the Degreed Home interface. On the left is a navigation sidebar with icons for Home, Featured, Discover, Opportunities, Notifications, Profile, and Help. The main content area is titled 'Home' and includes a search bar, a 'TRENDING AT DEGREED LIVE' section with five items (Introduction to Relational Database and SQL Course, Azure Dev Ops & Git Article, 100+ AI Use Cases & Applications: In-Depth Guide for 2023 Article, The 5 Uses of Generative AI for L&D Video, and CSS Training - Past, Present, Future Video), a 'Quick Links' section with Onboarding Information, Company Objectives 2024, and Community Forum, and a blue callout box that says 'Explore and apply for Opportunities aligned with your skills and career goals.' The 'Opportunities' section is highlighted with a blue box and contains three items: 'Technical Writer Usability Tester' (Mentorship, MATCHING SKILLS: 7 OF 7), 'Web Developer' (Stretch Assignment, United States, MATCHING SKILLS: 10 OF 11), and 'Usability Testing for Internal Tool' (Dynamic Team Assignment, MATCHING SKILLS: 2 OF 5). At the bottom left of the page, it says 'Powered by Degreed'.

Thank you!

We hope you enjoyed the preview
of your new Home page.
